

How to add an image to your email signature on Outlook

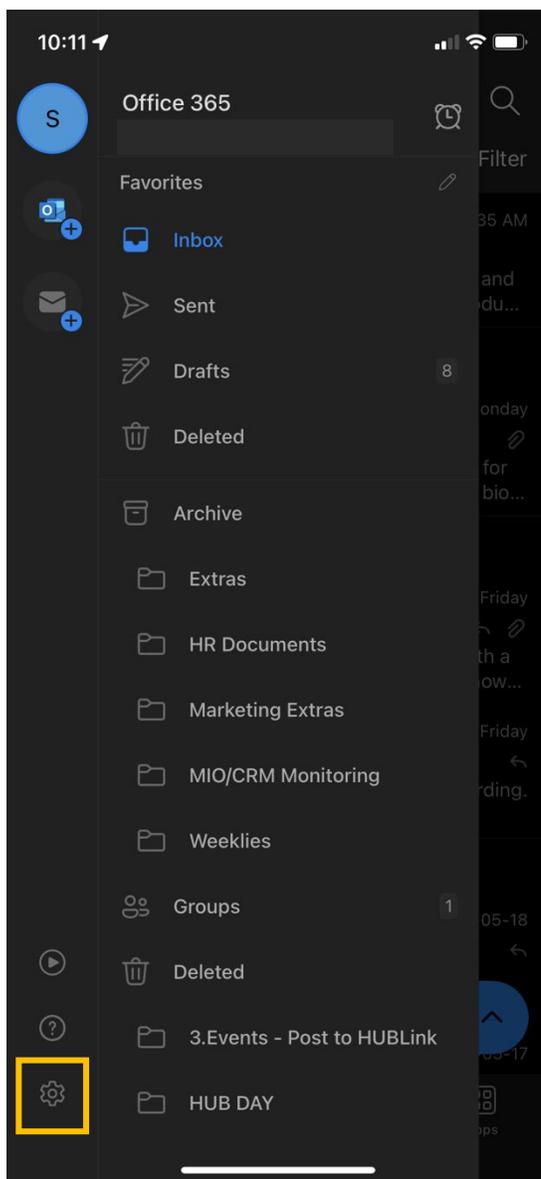

Mobile

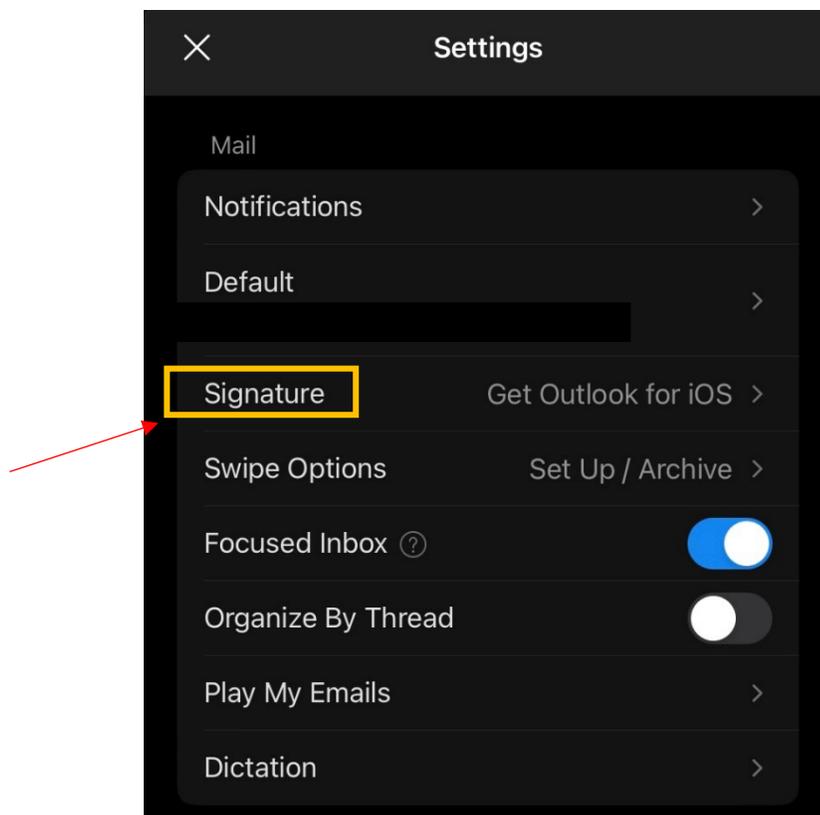

1. Save the image of your choice by clicking 'Download this image here' as well as holding down the image and clicking 'Save to Photos'.

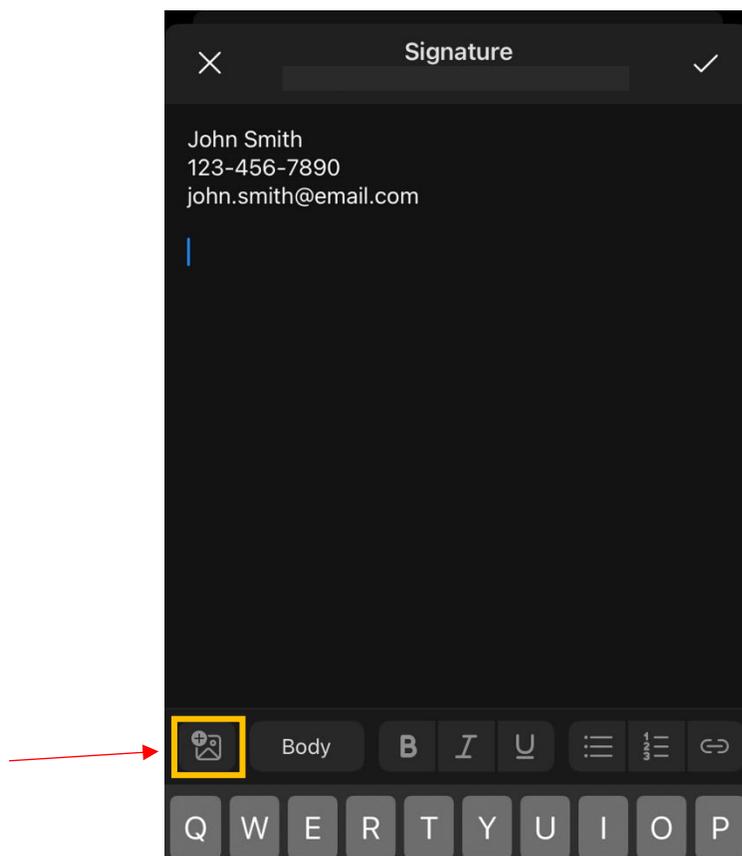

2. Open your Outlook App and click on the 'settings gear icon'.

3. Click on 'Signature'.

4. Click on the 'image icon' and select the image you would like to add.

5. Click the 'checkmark icon' to save your changes.
